Race to Cub Scouting

Keep in mind it is well into that time of year again when we will recruit the most Cub Scouts, Boy Scouts, and Venturers than we will at any other time. Please take advantage of this by doing school talks and passing out flyers for unit registration nights as soon as possible. Please notify us of the number attending your registration and the number that joined. Have a great membership drive and remember, we are here to help.

Charters

Just an FYI. Recharter packets will come out soon and we need to communicate with our Unit Commissioners during this process. This year we need to make sure that all of the charters are done effectively and that we do not lose youth on them because we have not called them.

We are once again using Internet Rechartering. If you are unfamiliar with this process there is a tutorial online at www.lincolntrailsCouncil.org. Remember, after you finish the online process you must print out the recharter-application, obtain the proper signatures, and forward the paperwork, any new applications, and the money to the Council Service Center.

All recharter paperwork and monies are due on November 14th at the Council Service Center.

Program Packets

Program packets are out for each unit. These packets include information on planning your 2008-2009 program year including the council calendar and resource disc. If you have not received your packet please contact Desmond Timmons at 217-620-7205 or pick it up at the September Roundtable meeting.

Redhawk Cubmobile Race

The Redhawk District would like to say THANKS to Pack 41 of Charleston for sponsoring the Cubmobile race. We would also like to thank the City of Charleston for their participation in this event. The race was held at the city parking lot F on 8th Street in Charleston. It was a great and fun event for all the packs that participated. Below are the kids that represented their pack and den as the winners for the Cubmobile race. Any pack that would like to sponsor a district event should contact Desmond Timmons at 217-620-7205 or dtimmons@bsamail.org.
