

# 2008 Cub Scout Spookoree & Camporee

There was a lot of fun to be had at the Council Cub Scout Spookoree event held the last weekend of October. There were 243 Cub Scouts and 58 Boy Scouts in attendance. When you add in the adults attending, there were 539 people at Rhodes France Scout Reservation for this weekend event. There was of course BB guns and archery, a hike, pumpkin decorating, a first aid event, dodgeball, the tank game, knot tying, and all of the kids made a medicine bag. There was even a haunted trail set up for Saturday night that had a theme of "Ghosts From Scouting's Past". Sunday was the annual Pumpkin Chucking Event. The weekend was full of great food and good fellowship. Those who missed out on this event missed a great time. A big thank you goes out to all of the staff for this event as none of it could have happened without your help.
