## Fall Roundup

Summer is in full swing, but it will not last forever. Fall is right around the corner and everyone knows what that means. It is nearly time for this year's Fall Roundup. Redhawk District is happy to announce that Cathy Coad is the new Cub Scout Recruitment Chair and will soon be in contact with each Pack in the district to help make the Fall Roundup fun and exciting! The theme for this year's Roundup will be the Race to Cub Scouting along with the "My Best Friend is a Scout" that was developed by our Scout Executive, Chris Long. This campaign is very successful when used correctly and Chris will be coming to our district to help train us. Please feel free to contact either Cathy at ccoad@yahoo.com or Ellen Watkins, District Executive if you have any questions.

## Roundtable

Roundtables are held the first Thursday of each month at 7:00pm at the First Christian Church in Casey. All units should attend as this is your opportunity to receive important information concerning upcoming district and council events, learn new skills, and interact with other leaders just like yourself. These meetings are not just for Scoutmasters and Cubmasters, they are open to any leader, committee member, or parents in your unit who wants to help improve your program. Starting in August, several special sessions will be beginning so please mark your calendars and plan to attend to see the new look of Roundtable in Redhawk district.

## Meeting Notice

The District Commissioner & Committee meetings will now be held on the third Thursday of each month. The District Commissioner meeting will begin at 6:30pm to be immediately followed at 7:30pm by the District Committee Meeting. Please mark your calendars and plan to attend as Redhawk District cannot operate without your assistance.

## Pack 33 Citizenship Project

Pack 33's Webelos den completed their citizenship requirement on Saturday June 13th by presenting a check for \$100 for the CARE Center in Coles County. At the beginning of the year the boys decided which organization they wanted help and the CARE Center was chosen. The Webelos den along with help from the entire pack collected and recycled cans throughout the Scouting year and then donated all the proceeds to the CARE Center of Coles County. During their visit the boys got to take a tour of the facility and got to play with some of the dogs that are currently housed there. Pack 33 would like to thank the CARE Center for their hospitality and time it was greatly appreciated.
