Friends of Scouting Crossover

We are currently scheduling family Friends of Scouting presentations in all units to start in October of this year for the 2010 campaign. Please contact your District Executive Doug Zaring to schedule a time for this presentation at a pack meeting, troop court of honor or other family activity.

Packs should be holding fun and exciting crossover ceremonies for the boys that are moving into Boy Scouts. Let's start off their Boy Scout adventure right. If you need help with this please contact Doug Zaring at 217-620-0772.

Roundtable

Shelbyville United Methodist Church
October 8th - 7:00pm

We have been having a lot of fun at our Roundtables, come on out and have some fun too. Roundtables are for all of the unit leaders to get together and share ideas. If you have not been to a Roundtable recently, you have truly missed out. We have prizes for first time attendees. We will also have a drawing at the end of the year from those that have attended Roundtables for some cool Scout stuff. Your name will be entered into the drawing one time for each Roundtable that you attend. There is also a lot of information handed out at each Roundtable. These meetings are held on the second Thursday of each month. Come on out and have some fun with us.

Roundup

Well folks, Fall Roundup is once again upon us. I have heard from most of you and have dates set for Join Us nights. I am working to get everything set up to help each of you have a successful roundup this year. If you want any posters, flyers, or any other recruitment materials, please let me know as soon as possible and I can get them to you.

National Public Lands Day

On September 26th National Public Lands day was observed by groups coming out and helping at their favorite National Public Land. Herrick Troop 98 and Charleston Troop 141 were part of several groups that gathered at Lake Shelbyville to help with improvements on the Dam West area. Troop 141 scraped paint off the beach gates and Troop 98 cleaned the beach area of debris, cleaned a playground area and spread mulch. Lunch was provided and then the two groups got together to look for some geo-caches in the area. They earned 4 service hours by participating in this event and 1 free night of camping. If you or your group is interested, the National Public Lands Day happens every September on the last weekend. Remember anytime your group does a good turn to report it on www.goodturnforamerica.org.

Blue and Gold Banquets

It is time to start planning your Blue and Gold Banquets for 2010. Please contact your District Executive as soon as possible with your dates. Remember, the Blue and Gold Banquet should be the highlight experience for your Cub Scouts each year.
